

Genelec 1030A Studio Monitors x2 (650 GBP)

Location **South East, Kent** https://www.freeadsz.co.uk/x-322464-z

Studio Monitors GENELEC 1030A,

These have been in my studio for a year and not been used, they were for back up refference but never needed.

These are in MINT condition and sound Amazing , if you know about Studio monitors then i don't need to say anything , these are far better than the new genelec's in plastic cases. Sorry no original boxes ...

Pick up only
