I have various Canon photographic items for sale as I have given up photography due to medical reasons and also haven't done very much for a long time so my camera just lives in the bag doing nothing so the following equipment is for sale, postage extra: Canon Camera 5D with battery grip (BG-E4) and also Battery magazine (BGM- E2). I last used my 5D in 2014 and all was okay but now the shutter seems to be playing up as it was intermittent so I telephoned a Canon center and they said it sounds like the shutter mechanism may be faulty other than that it is in very good condition and everything worked perfectly up until then so it is for sale on this basis, price £275.00 Canon Lens 24 - 105mm 1:4 L. The lens is in great condition and has got a Hoya Pro1 Digital protector and was fitted on day one of purchase and never been off the lens (cost £49.80) price still on Hoya case.
