TOSHIBA PORTEGE Z10T 11.6" Full HD IPS Touchscreen, Hybrid laptop/tablet, Top of the range i5-4300Y processor, 4GB RAM, 128GB SSD, 3-year Toshiba INTERNATIONAL warranty, USB 3.0, Detachable backlit keyboard, Weight 1.45kg, Toshiba reconditioned to "Like-New" standards with Toshiba Quality Seal, 3-year Toshiba international warranty & Free battery replacement service

This is the top-of-the-range Toshiba Portege Z10T Ultrabook hybrid tablet/laptop fitted with an 11.6" Full HD IPS screen, 4GB RAM and the most powerful CPU in the range - the Intel i5-4300Y. It also has a very fast 128GB SSD and a backlit spill-resistant keyboard. It comes with Windows 8.1 x64 (with free upgrade to Windows 10).

In addition it has a full Toshiba International Warranty until March 2019 including free battery replacement service which will be transferred to the new owner.

It was purchased only as a back-up for my main system. Thankfully I have never needed to use it and it has resided in its box since purchase. I have just got a new business set-up so no longer have the need to keep the Toshiba as a back-up.

It is in mint condition, as supplied by Toshiba, boxed with all accessories including software, manuals, multiple genuine stylus pens, genuine power supply, original genuine box etc.

In addition this will come with a supplementary new black leather case that I purchased from Australia and comes with either a stylus, the laptop with the keyboard or as a tablet as well as well as anti-glare screen.
