What could DRUMMING do for You? Drumming is fun. Drumming can help reduce stress. Drumming is good for building confidence. Drumming is great for improving co-ordination & concentration, not just your musicality....and many other benefits too. * All ages welcome (I've taught from ages 6 - 72).

* All levels of experience welcome (I've taught complete beginners, students going for Grade 8, and even professional drummer. I've also taught MANY people with learning difficulties and find this tremendously rewarding).

* All ambitions welcome (I've helped students who just want to have fun; students who find drumming cathartic; students who want to join a band; students who just want to start a new & exciting interest; students who wanted to improve their UCAS statement... as well as those who just wanted to impress their mates!).

Hi - my name's Craig and I'm a friendly, positive & enthusiastic professional drum tutor. I like to use a relaxed teaching style with enough structure to meet each student's individual goals. I'm an excellent communicator, with a good sense of humour and I genuinely enjoy inspiring students to maximize their potential both musically & personally. Fully insured and DBS/CRB checked. After-school lessons in your own home. £25 for 50 mins. As a drummer, I've been involved in many areas of the music industry, including: 20+ years as a drum tutor. 18+ years as the in-store drum tutor within a London-based music store. 10+ years as a session player recording numerous popular TV, radio & film adverts, incl: BP, Brylcreem, Budweiser, Ford, Land Rover, Panasonic, Philips, Pirelli, RAC, Scotch Tapes, Shell, TDK, Texaco and many more... as well as supporting various recording artists. Feel free to email me on: click to contact or text/call me for a no-obligation chat to find out more.

References available on request. Why not encourage your child to choose "Having Fun" as their 2016
