Kita is a beautiful Brittany who was abandoned in central Spain, probably by hunters. She is a lively, active, fun filled, loving dog. She gets on well with other dogs and loves attention from people as well. She has great recall as she really wants love from her humans and we are happy to provide as many photos and videos as needed to show what an amazing girl she is! She will need basic training She can be adopted in the UK, subject to homecheck and contract, for around £300. This includes transport, sterilisation, full vaccines including kennel cough, worming, tested for diseases, chip and passport and TRACES.
