Ex-Dem. £500offRRP.D-tag'd.MiPCP. INFORMATION, AND THE BEST NUMBER OF ALL ITS £7045 otr. Gobs of smooth pumping torque spin out from that super smooth 120 degree triple motor. It's going to be a hoot to ride with loads of attitude. Like they say, the MT-09 is "inspired by the Dark Side Of Japan". Having slewed through a few mental nights in Tokyo, that's a cracking thing to be inspired by. Barking mad, totally weird (Adult Cos Play anyone!) but awesome. Current best bike in this class is Triumphs Street Triple 675R. The MT09 weighs the same but its 900cc motor is more powerful and puts out more torque. £6495, 115BHP, 87.5NM Torque & 188Kg's! MiYamFinance available from £100 Deposit, Free Datatag & 2yr Yamaha warranty. Ref. No. Engine Size, Mileage, Year, Colour, 130952, 900cc, 845, 2016, RACE BLUE
