The original Ford Ka was a hugely popular model, especially among those wanting a cheap-to-run and easy-to-drive small car. ts replacement is a little more conservative in terms of styling but it builds on those strong foundations. It offers better comfort, refinement and fuel economy, It is certainly a much more grown-up car, particularly inside thanks to the well-built and neatly laid out cabin. Of course it retains those cheeky looks of the original and is easy and enjoyable to drive, especially in town, while the supple ride means it's incredibly comfortable.57 mpg,only £30 a Year Tax,ABS,Air conditioning,Alloy wheels,Body coloured bumpers,CD,Driver's airbag,Electric mirrors,Folding rear seats,Front electric windows,Front fog lights,Heated mirrors,Height adjustable drivers seat,Isofix child seat anchor points,PAS,Passenger's airbag,Remote locking,Steering wheel rake adjustment,COMES WITH A SERVICE AND "FREE MOT'S 4 LIFE" ONLY @ WWW.BONDCARSALES.COM ABS, Air Conditioning, Electric Mirrors, Folding Rear
