

Epiphone Les Paul Custom HCS korean made (330 GBP)

Location **East of England, Cambridgeshire** https://www.freeadsz.co.uk/x-323425-z

Epi Lp Custom very nice color, made in 2004 at Unsung Korea. Recently had full pro setup with strings changed, action lowered, intonation spot on. Plays like a dream now. Amazing built quality, nothing to compare with china models. No scratches, dings or other damage. Very little played, was a part of guitar collection. Together with hard case. No swaps.
