Estate Hygiene cleaning service is a privately owned limited company, formed in 2010. We are a young dynamic company and very passionate about what we do, keep your homes clean- something we're very good at. Our mission is to consistently deliver excellent cleaning and support service to our clients whilst minimising our impact on the environment. All our cleaners have over 10 years home cleaning experience. Not only are our prices the cheapest in the market but our cleaners are very hard working and very trusty. All our cleaners are insured with a public and employee liability insurance, also all our staffs are trained with comprehensive course in the health and safety. Our health and safety policy is done on a 6 monthly bases to ensure your premises are covered in every way possible. I have put together a tick list please add to it were you feel is necessary.
