Suzuki van van RV125 in good condition.

Slight cosmetic damage however mechanicals are working very well with zero issues. Just over 3000 miles. Comes with full service history and owners manual.

Petrol engine averages 70 mpg in my experience.

Comfortable on long journeys as well as short.

Rear wheel is nice and wide so a new driver will enjoy the bike without fear of banking over too far.

Registered colour is red.

Relatively cheap on insurance, cheap on petrol and low tax at just £17 pa.

Has had 3 owners including myself

MOT till 06 August 2016.

Please email me for more details and if you would prefer a phone call please email me your number and I'd be happy to call you after normal working hours.
