Due to house move we are selling our "Penn clic clac sofabed" in neutral fabric. The actual fabric feels like a soft suede. Includes 2 slim cushions. The sofa is 78 inches long. It then can open out into a bed L.78inches x W. 46inches. The bed aspect is fairly firm. Guests have used it as it is, or with a mattress on top. Underneath, the frame creates a storage box area, for quilts, pillows or toys etc. It is a rather heavy and substantial sofa bed and needs a least 2 persons to lift. Due to downsizing of cars we cannot deliver. I have the receipt from Argus, with initial RRP £299 . Asking £120 or near offer. There are no marks or damage on the.
