Here we have an excellent example of the Yamaha XJ6 S Diverison. With so few miles on the clock, the bike is only just run in. Fitted with a fly screen for that extra bit of wind protection. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. The bike comes with all original keys and manuals as were supplied new. This bike has Full Documented Service History and has had no expense spared in maintaining it. This bike is suitable to be ridden on the A2 license. Also fitted with a centre stand to make washing and maintenance a whole lot easier. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. All of our bikes also come with 3 years free legal cover. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
