Red, Back in the day 250cc race replicas were the sharpest handling, most frenzied, maddest things you could buy on two wheels. Nowadays the RGV250 is a modern classic and it still looks good, sounds amazing and the smell of burning two-stroke oil will take you right back. Put simply, it's still sensational. Mileage is 12819, please note the speedo will be showing in km. It is not a restricted bike and will be full power. The bike will be serviced and come with 12 month's MOT. This bike has been imported from the Continent and will be UK registered on an age related number plate upon sale. The registration transfer paperwork can take 2 - 3 weeks depending on timescales from DVLA. The North West's finest family run motorcycle dealership, £4
