It's no secret that Ian Harding is as close to the perfect guy we'll ever get. Sure, the Pretty Little Liars actor is easy on the eyes but his beauty goes deeper than those sparkling blue eyes and that shock of dark hair. He's intelligent, friendly, and oh so entertaining. He loves animals and blesses us with photos of his adorable dogs everyday. Plus he's all about charity; whether it's raising awareness for Lupus or joining forces with his costar Lucy Hale to provide 132 surgeries for the Smile Train, he's all about giving back.
