This is a very tidy Hyundai Getz 1.1 GSi 3door. Very nice driver with 66,000 miles and handbook pack. No unusual noises . Electric windows. Central Locking Two keys. Car does have aircon but isn't working. It may only need gas but we have not investigated it and is sold as not working. Tidy body with usual minor marks / scuffs expected for age / miles. Spare and tools appear unused. Good tread on all tyres. Car will be oil serviced, safety checked and full MOT for its new owner. Small cheap to run car very suitable for those on a budget or new to driving as cheap running costs / insurance. Similar to Corsa and Fiesta but much cheaper to buy! Open to any inspection and you are welcome to view / drive.

Now this is the important bit:- We price our cars keenly as they are trade cars. This means we cannot apply a warranty but we do take care to service / safety check and apply a full MOT for you. Bring your own mechanic, arrange inspection and have a long test drive to satisfy yourself the car is for you. We are happy to give sensible offers consideration.
