Just Skin Aesthetic Clinic specialises in the art of facial rejuvenation. Our philosophy is that your appearance should always look natural. Your treatments will make you look refreshed and smoother - never unnaturally false. Your treatment will be carried out by a fully qualified and insured advanced practitioner who is a member of the Nursing and Midwifery Council and The Royal College of Nursing with over 12 years experience of working in the NHS - so you can be confident that your treatment will be done professionally and safely. Just Skin Aesthetic Clinic will be joining the team at the VIP lounge on Shirley High Street on 2nd April and will therefore be offering Botox & Dermal Fillers at discounted prices. There is limited availability so don't miss out on these offers. Call today to book a free no obligation.
