

# Fiat Swift Lifestyle 630G 2.8 diesel 6 Berth (6,190 GBP)

Location **South West, Avon**  
<https://www.freeadsz.co.uk/x-324319-z>

Inside the kitchen has a good sized oven with grill. The hob has 3 gas rings and one electric. The stainless steel sink has a removable drainer and sink cover. Fridge/freezer works on either gas, 12 volt or 230 volts. There is ample storage cupboards, the one above the sink being fitted with a plate and cup rack. The dining area seats 4 adults and turns into double bed. There are two further double beds, one over the cab that has a removable safety net and a transverse bed above garage at rear of the van. The bed over the cab lifts up to allow extra headroom and the passenger chair swivels to face into the living area. In the bathroom there is a swivel cartridge toilet, hand basin and detachable shower. There are plenty of storage cupboards and a decent sized wardrobe. The Truma ultraheat central heating system blows hot air through the whole van.

Additional features include a huge garage with custom built shelving at the back for extra storage, Fiamma wind out awning and awning enclosure (as photo) in good condition, wrap-around cab windows blackout cover, a towbar and a bike rack. We had an alarm fitted to the electric foldaway steps after the first time we forgot to put them up. The van is built on a Fiat Ducato chasis, 2.8 diesel, 5 speed, has 5 very good tyres, cambelt and service done 2000 miles ago, a 300w inverter and a factory fitted alarm. Everything works and is ready to drive away and use. MOT'd until end Feb.
