

Academic Tuition for Early Years to Year Six including Maths and English (35 GBP)

Location **South East, West Sussex**
<https://www.freeadsz.co.uk/x-324427-z>

In our tutoring sessions, we develop skills and confidence in reading, writing and maths through the use of games, creative learning and fun resources. We encourage you, the parent / carer, to be involved in the teaching and learning process wherever possible, so that you feel confident in supporting your child as he or she learns. :: Literacy :: We believe that securing phonetic knowledge is of the utmost importance in literacy; therefore we use phonics as the cornerstone of our literacy teaching, both in reading and writing. Foundation Stage and Key Stage 1 Learning / securing letter sounds and names Decoding words Blending and segmenting Developing strategies to learn 'tricky' high-frequency words Key Stage 2 Grammar, Spelling and Punctuation (GPS) Prefixes and Suffixes Root verbs Latin Derivatives Technical, grammatical knowledge needed for working towards the new curriculum Year 6 SATS. :: Maths (Key Stage 1 and 2) :: There are several key areas in the Maths curriculum, including place value, shape, space, and measure and calculations. Maths tuition will be personalised according to the needs of your child. We can focus on a specific area, take a more global approach, or provide your child with the tools necessary to begin the next academic year with confidence. Additional SATS tuition can be tailored to meet the needs of your child in order to build-up his or her ability and extend their knowledge and confidence in Literacy (including Grammar, Spelling and Punctuation), Maths and Exam Technique. :: FLEXI TUITION :: Do you feel that your child needs a quick boost in a specific area of learning? Does your child lack confidence in their ability to 'keep up' with classroom learning? Does your child need some extra support in the build up to a specific test or exam e.g. SATS? Is your child apprehensive about the forthcoming academic year? We can offer support in the form of stand-alone lessons and flexi tutoring. Sheila, as academic tutor coordinator, will conduct an initial detailed assessment costing £55, to include

baseline assessment, detailed parent feedback and an agreed action plan to support the child as they progress with their learning. The cost of this initial assessment will vary depending on the number of children involved. Sheila will then allocate the most suitable tutor to work with your child. We also offer 90-minute sessions and 1-hour sessions in the school, please contact us for more details. About Us: We have a highly qualified primary school teacher and two experienced tutors who will visit you at a convenient time, whether during the week or at the weekend. If you are considering private tuition for your child, just give us a call to discuss how we can help.
