For Line Dancers with experience! We meet every Tuesday morning for 2 hours of fun. That's 10.30am - 12.30pm at Beesley Green Community Centre, Greenleach Lane, Worsley, M28 2QW. We learn a new dance routine most weeks, revise the previous 4/5 weeks 'new dances' and dance requests with maybe a quick step through reminder. As there is already a Beginner/Improver class held here, please only come along to this session if you have at least a years Line Dancing under your belt, this class moves at a faster pace than a beginners session and those attending will need to be able to recognise the steps and terminology of Line Dance! We dance to a great mix of music, C&W, Latin, Irish, Swing, Easy Listening, Reggae, Pop etc All classes £4.50 per person, this includes your refreshments. Photo's are of several class sessions plus some of the Social Nights that we hold.
