VERY RARE VINTAGE Mid Century 1950's/1960's Sideboard/Drinks Cabinet  
(Converted from Sobel Radiogram Cabinet) Dimensions: W 120.6cm D 39.3cm H 85cm

This piece of furniture has been owned by my family for over 55 years. (It was originally a 'Sobel Radiogram' - see the last 2 pictures of what it would have looked like then). My parents had it converted into a Sideboard/Drinks Cabinet during the late 1970's.

It has some small scratches and marks on it, all of which I am sure could be polished/restored. (see pics)

This is a great piece of Vintage/Retro furniture, that just needs a little TLC. It has so many memories for me, but I do not have room for it in my house so I am reluctantly parting with it to a new home. ;
