Gorgeous little car and lovely to drive, the first car I've ever felt that's really solid and safe. I'm selling as I have now moved to London and I no longer need it. In great condition, new MOT. It's got the following;

Electric Windows

Alarm

Alloy wheels

CD player

Air con

Great size boot (I moved house and managed to fit an amazing amount putting the back seats down).

Full service history

2 keys

77250 on the clock

Power steering

Anti lock breaks

5 gears

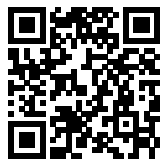

Not sure on the hbp but it's quite nippy for a 1.6

Also great speakers Cash only and viewings by appointment only. Please call on 07944 445816 07944 4458...(click to reveal full phone) .
