

Renault Clio 1998 (175 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-325324-z>

Mot until end of July 2016, good tyres, drives well. Electric sunroof and electric front windows. Needs some bodywork on rear wheel arch on drivers side, see photo. Had a problem with tickover where it was rising and dropping on its own. Hasn't been used for a month and seems to have cleared. Don't know what the problem is. sold as spares or repair so will be sold as.
