This gsxr is in great shape with a just slight age mark on the rear fairing. Fitted with a low slung Scorpion exhaust this bike has the extra sound over a stock exhaust whilst still not being obnoxiously loud. With over 110hp and a redline close to 16 thousand RPM you wont be left wanting any more. With a reputation of being a great road orientated super sports bike this bike is asking to be taken home for just £4295.00, REF:Z8V2. 599cc Inline 4 Cylinder, Fuel Injection, Double Overhead Cam, Liquid Cooled, Chain Driven, 161kg dry weight, 81cm seat height, 17 litre fuel tank, slipper.
