A brilliant example of a KTM 690 Duke that has only covered 3036 miles from new by its former keeper. The bike has been serviced at the following miles 605 and 2150. The bike has been HPI checked and a Certificate will be presented with the bike. The Duke is spot on for commuting and hammering down twisty country roads, where bigger, more powerful bikes would struggle. If you want a pure, no-nonsense bike. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600...(click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
