

Cross trainer (25 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-325979-z>

Cross trainer with name Carl Lewis on . it has a digital monitor on which should be attached by a wire, unfortunately it has come loose. This doesn't affect the cross trainer and would be an easy fix if you know what your doing. Selling because I need the space and it has hardly been.
