A great addition to your garden this summer. These timber planters are handmade from pressure treated redwood decking and lined using a quality polypropylene semi permeable membrane. All the timber used is FSC certified with no visible fixings. They are produced in both a Reeded or Smooth finish. Produced in 3 sizes- L x W x H

400mm x 400mm x 400mm (approx)- £39

600mm x 400mm x 400mm (approx)-£44

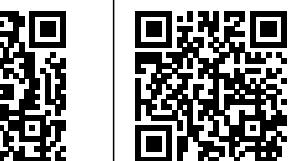

900mm x 400mm x 400mm (approx)-£49 I can also make custom planters, to your individual specifications to the same design as shown in the images. Please contact with your required dimensions and I will get back to you with a quote as soon as possible. These are available for collection from Knaphill, Woking or free delivery within 10 miles of Woking. Alternatively, delivery can be arranged but at the buyers expense. If you have any questions or require any further information please contact me via email. Many thanks for looking. Kind Regards Ian *Images shown are the 400mm x 400mm x 400mm planters in both the reeded and smooth.
