It's a great place luxury, with a bed, with the storage and with the are a great roof light brings a great amount light during through the day.

In the kitchen area there is a full size oven, 3 gas hobs and one electric. Plenty of work top space

There is a motor mover fitted to the caravan which are great extra to have powered by the battery simply turn on your remote control and direct your caravan where you want it to go (very handy for when parking caravan). To supply and fit motor moves cost £1500 so its a great extra to have fitted with the caravan.

Caravan also has hot/cold water. Can simply heat water by gas or electric by using the inside switches. Also heater works of gas as well as electric very easy to work and heats up pretty quick. You have blow air heating as well which is fitted all the way through the caravan which gets the heat all through the van in a short space of time.

This is a single axle caravan, easy to tow, tyres are good too.
Has the paperwork and the manual to help get you started
