This is a great caravan, it has a very good layout. Has a large end room, with triple bunk beds, a shower, toilet, and a small kitchen area with a hob and grill. Plenty of work top space.

Caravan also has hot/cold water. Can simply heat water by gas or electric by using the inside switches. Also heater works of gas as well as electric very easy to work and heats up pretty quick. You have blow a heating as well which is fitted all the way through the caravan which gets the heat all through the van in a small space of time.
