Hello eager Russian speakers,

I am a native Russian speaker and linguist with big experience teaching foreigners. I offer Russian language classes via Skype.

I cater my lessons to every student's individual needs and goals, which range from preparing for an exam, career purposes, or personal interest to learn Russian. I start working with students of all levels, and aim to constantly progress their understanding and confidence of Russian. I constantly check the progress of my students learning through homework at the end of every lesson, and mini tests. I also prepare students for upcoming exams and last minute revision sessions, usually going through past exam papers, coursework, and audio tests.

Trial lesson is free.

Price of 1 hour - GBP13. Contact me: click to contact My web-site: <http://funnyrussian.wix.com>
