

Driving Miss Daisy - Companion Driving Service

Location

South West, Dorset

<https://www.freeadsz.co.uk/x-326677-z>

We are Driving Miss Daisy in Ringwood, Hampshire and service the whole of the community for those who cannot or choose not to drive. We are a trusted service offering more than transportation, by providing personal assistance too. We really care about making every journey or visit a pleasure. All our companions are safety checked, licensed, first aid accredited and have manual handling training for peace of mind. Many of our clients are the elderly who need a companion to transport them to personal appointments, shopping and social outings etc.:
