To whom it may concern

I would like to take this opportunity to introduce our company Intec Solutions (UK) Limited, which specialises in retail and wholesale of electronics and information technology products.

We are interested in purchasing and selling on a small scale and whole sale basis from products such domestic appliances, computing hardware and software, entertainment systems and many more electrical products.

Intec Solutions (UK) Limited is also a fast growing aggregator in the business of Wholesale Carrier Services, established in UK for a number of years. Our Customers range from the world's largest telecom carriers to innovative, emerging providers.

Our main area of expertise lies with routes, Terminations of the Indian Subcontinent, Gulf region, South America and Africa with world-class infrastructure facilities to support our clients on a 24*7*365 basis.

We hope to hear from you very soon and start good long term business relationship.
