

# Hospital bed (200 GBP)

Location

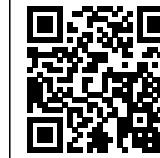

**South East, East Sussex**<https://www.freeadsz.co.uk/x-326954-z>

This Burmeier care bed is sturdily constructed to stand up to the rigours of daily care. High-quality components make this a particularly durable, sturdy and low maintenance care bed.

It has low entry height and heavy duty load.

Safety side fall protection bars are adjustable up or down.

It has a 24 volt drive system. All live 230 volt components are located separately from the care bed. This system ensures optimum safety for the occupant. Can deliver locally (Eastbourne-Hastings)
