Here we have for sale a 2013 Volkswagen Touran SE TDI in metallic Grey. Basically a bigger Golf, The Touran is just a more practical, family orientated design with some nice perks in addition. Our Vw Touran comes with the futuristic park assist mode, the vehicle uses infra red and sensors to navigate its way into a parallel park, in the process taking full control of the steering wheel adjusting when needed. A surreal experience indeed. The Touran is an economic diesel averaging a fantastic 55 mpg on average and stands relatively low down on insurance. Subject to long life servicing every 20,000 miles, the Touran has only needed one interval service so far with it being done at 15k and an inspection service with ourselves at 21k. A long advisory free MOT accompanies the vehicle till March 7th 2017. A fantastically conditioned vehicle. You can also reserve this car for 48 hours with a £150 refundable deposit. We can tailor car finance around you, we work with some of the top lenders to get you the best rate, no matter what your credit history. Apply for finance on our website and get a decision in as quick as 30 seconds. As part of the National Good Garage Scheme, a thorough 50 point check and HPI check is carried out on all our vehicles. You then have peace of mind with 12 months free break down cover and various Warranty options that are available. Please check our website for Warranty options and why not try our Part Exchange Valuation tool?
