1950s style armchair bought in 2012 from a Brighton designer retailer.  
 Classic 1950s great angular form. Tapered and splayed legs in dark wood.

These armchairs are solid, heavy and supremely comfortable pieces of furniture.  
 Very stylish chairs which will add style to any room.

Dimensions: Width: 78cm; height: 69cm; seat height: 42cm; depth: 91cm.

The chairs cost £650 each and have been looked after. As consistent with age, they have some loose threads in places but nothing that detracts from their overall attractiveness. The wooden legs have some scuffs but these can be touched up easily with a little brown paint.

The fabric is extremely hard-wearing and forgiving and also fits with most colour schemes due to its neutrality.

The chairs are collection-only from Brighton.

The price is per chair.

Cash on collection may be preferable to the buyer. Any questions, please feel free to.
