we are reluctantly rehoming our beautiful mastiff cross Bella. She is 4 mico chipped and nurtured. She has leads, harness toys, bowls ECT and son food. We are having to rehome as she is a nervous dog and sadly we dont have the time for her training due to a change in our home circumstances. She is nurvous with animals so will need to be an only per and I wouldn't recommend young children as she gets over excited and will snatch toys. She loves toys she can pull the stuffing out of and will rollin the fuzz. She loves to be hugged and will climb up on laps for a snuggle (she dosnt relise how large she is) she's such a loving dog. We will negotiate on price but we are asking for something to ensure new family are serious as we want her to be well looked after and.
