We have a selection of beautiful kittens ready to go to loving, permanent and responsible homes. We rescue unwanted kittens, give them the very best care and find responsible forever homes once they are 8 weeks old. Your kitten will be weaned and eating wet and dry food and used to using a litter tray. Our kittens are fully vet checked. This includes their eyes, ears, mouths, hearts, hydration, tummies, gender, weight, fleas and general health. They are treated with prescription-only Stronghold for fleas and Panacur for worms. The adoption fee is £150 per kitten. PLEASE, NO OFFERS. We are a very small rescue and put a great deal of time and money into rescuing and rehoming and we need to ensure that our kittens go to responsible, permanent homes. We have kittens that have been vet checked and are ready to join their new families now. Please note: you will need to bring a secure cat carrier for your kitten to travel in safety.
