WANTED projector to link into my laptop, so that I can do presentations on screen or wall. Not bothered about condition/age as long as works. Presentations will be on health and well being to the community and will be free/minimal charge so ideally would want the projector for free or very little, but in retrurn could do a personal presentation at your home to share the knowledge I.

Raising funds to build and equip a clinic for the people of Kibwiza Village. Gadumire. Uganda.
This is an almost forgotten part of Uganda that needs help to Educate and care for the young sick and elderly.
Your Kind donations and support will save lives.
