For sale is my 3 series, please read full description as I'm going to be as honest as I can as to not disappoint anyone. Good bits: the car is a 1.8 and manages over 35mpg in town, it receives complements anywhere it goes. It starts first time, everytime with no horrible knocks or bangs Drives solid and smooth regardless of terrain, It has a genuine low mileage at just over 73,000!!! The car has the following extras: private number plate, alloy wheels, air con, parking sensors, cruise control, electric windows, electric mirrors and aux cable with a genuine business head unit. The car has had a recent mot and is good to go for around 11 months, i have recently changed the thermostat with a genuine part from bmw costing almost £100 The bad bits: Passenger wing mirror will need to be replaced Drivers seat has a slight tear, (purchased like this but never bothered me) The car is missing 2 bmw badges The trip reset button does not work. I have been as honest as I can. Feel free to come and have a look yourself. The price is negotiable but please don't take the micky. This is a genuine BMW with plenty of life in it. Absolute pleasure to drive, I am only selling as i have bought a new car The car is worth in excess of £1900 after the little niggles have been sorted. So the asking price of £800 is more than reasonable. Call or message anytime. If I can't reach the phone then I'll get back to you shortly after. Located in Brighton, East Sussex.
