For sale I have three KC registered pug puppies, these will come with 4 weeks free insurance from Petplan, and a puppy pack to get you started. This will include a blanket smelling of the litter, a couple of toys, food they are currently eating, and an information leaflet. These are lovely little pups, very playful, and love cuddles. They have been raised in my family home so are used to other dogs, people-including children, and other household noises and smells. They have been fully wormed using Drontal puppy wormer done at 2, 4, 6, and 8 weeks.

All three of the puppies in this litter carry the white gene from mum, who is a white KC pug, and is available to be seen at the time of viewing. I also have dad, who is a black KC pug, also available to be seen.

This litter consists of two girls and one boy, they will come microchipped, with their KC papers, and a 5-generation pedigree certificate. They are able to leave mum.
