For sale is my Vauxhall Corsa 1.0 litre life 3dr, with only 53000 miles and full service history. The car is absolutely fine and has served me perfectly as a first car but I have recently upgraded. Very cheap insurance and a great return on petrol! MOT until 6 December 2016. With no advisories on either of the last two since I have had it, apart from 2 tyres which have been replaced in the last year. The overall condition is fine, however with a car of this age you can expect a few marks and scratches. There is a spot of rust visible on the bonnet, about the size of a 2 pence piece. Which to be honest has never really been of concern to me. However i'm happy to answer any questions to the best of my ability. I am the car's 4th owner.
