I have for sale one gorgeous little shaded red mini smooth haired dachshund boy. Mum is a lovely brindle colour and dad is a shaded red. He is kc registered and is pra unaffected (dad is a clear), he's had his first health check and injection with the vet. He will of course be microchipped before he leaves for his new home. He has been wormed regularly since two weeks of age with "panacur" as recommended by the vet. He is well socialised and very outgoing. He will leave for their new homes any time after 8 weeks old (so ready now) and will have 4 weeks insurance with pet plan for an extra peace of mind over the settling in period. For any further info please feel free to.
