

IPHONE 5c FAULTY CHEAP 25 (25 GBP)

Location

South East, West Sussex

<https://www.freeadsz.co.uk/x-327956-z>

I bought this phone off someone a long time ago of gumtree who told me that it needs a new battery but i havent actually checked if that is the problem and i havent had time to change it so that is why i am selling it. The phone is in good condition apart from the screen. This phone could be either a cheap or expensive fix. I don't know the history of the phone. If you have any questions please call or message me.
