One older but pretty good condition Habitat wenge/ black table with expanding top. Size L 160cm, D closed 90cm, D open 135cm, H 76cm *expands in the depth It has 2 small nicks in the veneer marked in the photos which has come from it's folded position and there is a small bend in the folding mech, which makes tit a bit harder to line up the securing pins in the open position. Would be fairly simple to fix. The condition is good, some light scratches on the top surface. The legs unbolt but I would recommend a van or large car. Collection only, London SW18 area £150.
