Literacy is the greatest gift you can give your child. Sometimes early readers, through no fault of their own, find themselves in trouble. They fall behind their classmates and feel they have an impossible mountain to climb. That is when parents need to help. It is not easy. Parents are seldom teachers and sometimes it can seem all too difficult. But there is a way out – together we can do it. Alonah Reading Cambridge offers an early reading course which I have successfully used for many years. It does not conflict with classroom teaching and leads your child gently into literacy. In a way it will enjoy. I can also give you telephone help and advice, a free face to face assessment of your child and more if you wish. To find out how we can help your child together just visit my site. www.alonahreadingcambridge.com Do it now. Your child is in.
