A remarkable example of the stunning Audi A5 Sportback in Deep Sea Blue with full black leather. Great spec with power steering, CD player with AUX input, DAB radio, colour screen DIS (Drivers Information System), start/stop technology, Bluetooth, 17" alloys, electric windows x 4, cruise control, traction control and rear parking sensors. Powered by arguably the most desirable engine in the range, the 2.0 litre TDI producing 170 BHP, coupled with the 6 speed gearbox, drives like an absolute dream. Sales managers own car for the past two years, maintained to the highest standard with full Audi service history including very recent timing belt change (timing belt changed locally). An outstanding executive Sportback. Super value.

Cruise Control, CD Player,
