My beloved RS 400 is up for sale, only had it one season and have loved every minute of it but due to a change in circumstances I no longer have a crew member.

The boat comes with 1 BRAND NEW "old style" main, was offered £2000 for this sail alone due the fact they old there shape better than the new ones and make the boat more competitive! One old training main 1 jib in good condition and two spinnakers, 1 is torn but repairable.

The boat recently (a month ago) had new halyards through out and sheets, blocks have all been serviced.

New launching trolley wheels, under and over cover and road trailer. its ready to go for the 2016 season. could do with a repair on the rudder but still in perfectly good sail-able condition.

The boat has been very competitive for me and holds well in a race against the newer models.

Please feel free to contact me.

The boat is based in East Sussex, but im willing to travel to meet half way if a contribution to travel is.
