SCENAR devices are half the size of a smart phone and provide fast pain relief most often under 5 minutes AND usually will last 3 or more hours. Periodic daily application can render your condition pain free. You are invited to our studio annex where I will demonstrate the device and show you how easy and effective the process can be - we are accredited Distributors. Please visit [www.miracletherapydevices.co.uk](http://www.miracletherapydevices.co.uk) and Google for 'Scenar' where there is hundreds of positive material out.
