

Church Farm lies in a naturally magical spot Surrounded by calming waters, Pagham Harbour is on one side of the park with a freshwater lagoon on the other. We're fortunate enough to have direct beach access, where you can watch the sunset, enjoy a paddle or spot rare seabirds. This is an idyllic rural location with Pagham Village only a short walk away and Chichester nearby. Further afield, there's Arundel Castle, the South Downs and lots of pebbly beaches perfect for beachcombing. We're proud of our well-kept and elegantly landscaped park and its superb facilities. Above all, Church Farm is an owners' park with a great sense of community. Things to do:
