Hi,

I am selling my Nikon D700 full framed digital camera which is in excellent condition. The camera has been well looked after and was serviced on 22/05/2015 at H. Lehmann Ltd and as not been used since. I purchased this camera new on 07/06/2012 from Wex and has had very little use with the shutter count being only 18,482 which is equivalent to only 12% shutter life being used. Included in the sale are: All original packaging, unused strap, cables, manuals, unopened Nikon Software Suite disc, receipts etc. Plus extras:

Genuine Nikon battery, SanDisk Ultra 8GB memory card, third party cable remote shutter release and Magic Latern guide to the Nikon D700 . This camera comes with everything as it would when new, you would be hard pushed to find another D700 package similar to this.

Please contact me if you require more images.

Comes from a smoke and pet free.
