Vitus Bikes Sentier VRS Hardtail Bike 2016 CYCLING

Vitus Bikes Sentier VRS Hardtail Bike 2016 Winner of MBR? s ?Hardtail of the Year 2014 and 2015? the Vitus Sentier returns for 2016 with an all new frame. From backwoods singletrack to trail centre assaults, the Sentier range of aggressive trail hardtails have been designed with fast paced, action packed epics in mind! Our new super-light triple-butted 6061-T6 aluminium frame has been combined with a high performance components package to ensure the Sentier delivers on all fronts! The Sentier VRS features a performance components package comprising of Manitou Minute Comp forks; Shimano SLX/Deore groupset with WTB/Novatec wheelset and Vitus finishing kit to complete the package. The Sentier VRS is ready to wage war on trail centre assaults! Super-Light Mechanical Formed Triple-Butted 6061-T6 Aluminium Frame Our super-light 6061-T6 aluminium frame has been triple-butted to reduce weight and tune the tubeset for improved handling and all round performance; for 2016 we have increased standover clearance and have also improved lateral stiffness by adding a 142mm x 12mm through axle configuration. We have also made these frames Reverb Stealth compatible.
